Car Show criteria is as follows:

wintergarden-fl.gov

Show-quality cars that were built before **1987** are invited to participate. Cruisers should arrive at the public parking lot at Plant and Dillard between 2 pm and 3:45 pm. Cruisers will be queued up in a first come, first park basis and allowed into the event area at approximately 4 pm. Cruisers are not allowed to park within the event area without going through the queue line and registering.

Show-quality muscle cars built after 1987 will be allowed to park, after the 1987 or older cars have parked, in any of the remaining spaces on Plant Street, side streets, the Pavilion lot and a portion of the public parking lot at Plant and Dillard Streets (serves as the staging area for the car show). Once these areas are filled, the car show will be closed to any additional cars.

All cruisers will be directed to park in two different queue lines based on the year the car was built and as directed by staff. Please see the attached parking map for further details.

These criteria will provide for a safe, manageable and enjoyable event for everyone. Please find attached the Rules of the Road which outline the City's rules for the event. Thank you for following and supporting the Winter Garden Cruz 'N Car Show.
