

Overview of Poster Contest

The City of Winter Garden cordially invites students to participate in our "Drop Savers" poster contest. Students in grades K-12 are encouraged to create a poster depicting a water conservation idea in slogan form, drawing form, or both. The contest teaches elementary aged school children, and reminds middle and high school aged teens about the importance of water conservation. We feel that our best opportunity to conserve water is through a long-range education and awareness program, beginning with our young people.

Poster Contest Guidelines

Posters will be classified as follows:

Division 1: Kindergarten and First Grade

Division 2: Second and Third Grade

Division 3: Fourth and Fifth Grade

Division 4: Middle School; Grades Six, Seven and Eight

Division 5: High School; Grades Nine, Ten, Eleven and Twelve

- Poster shall be drawn on an 8 ½" x 11" white paper. It can be drawn vertically or horizontally.
- Please complete entry the form and tape it to the back of each poster.
- Each poster must portray a Water Conservation Idea with a slogan, drawing, or both. Students may use crayons, paint, color pencils, or markers. No highlighters, photos, or computer graphics are permitted.
- Students must work on posters individually, otherwise posters will be disqualified.
- Only original artwork will be accepted (no trademarked or copyrighted materials).

Judging

- Select a panel of judges and rate each poster for the message, creativity, and originality (not just artistic ability).
- Choose a first place winner from each participating grade division.
- Remember that students are to create a poster depicting a Water Conservation idea! "Don't Pollute the Water" is a good theme, but it's not about water conservation. Please make your judges aware of this.
- Submit your school winners to Winter Garden's Sustainability Coordinator.

Prizes

- 1) Receive a certificate of participation in City Hall Meeting
- 2) Display of artwork in City Hall
- 3) Gift Cards
- 4) Water Bottles
